Shaping sound in space: the regulation of inner ear patterning

Andrew K. Groves and Donna M. Fekete

There was an error in *Development* **139**, 245-257.

On p. 252, in the second paragraph of the section ‘Establishing gradients and boundaries in the developing cochlea’, it should read ‘In adults...from high (basal) to low (apical).’

The authors apologise to readers for this mistake.
